Dear Friend,

The Wild Harbor Tri Club, LLC (WHTC) invites you to consider sponsoring our 2023 season. The WHTC is going into our 8<sup>th</sup> season, with annual membership increasing year over year. We ended this season with over 200 members and are proud of our club's growth and accomplishments over the last several years. In addition, the WHTC was formally nominated by Triathlon Business International as the fastest-growing triathlon club!

This tri club was created to support triathletes, organize trainings and coaching sessions, and promote a healthy and active lifestyle within our community. As we look ahead to next season, we are excited to provide these opportunities to our members and to see our club grow.

Our members participate in various events throughout the year, including triathlons, marathons, half-marathons, 5Ks, duathlons, and much more. In addition, they travel near and far to participate in several events throughout the year and come in contact with thousands of fellow athletes, volunteers, and spectators along the way.

With the help from sponsors, we were able to provide our club with the following:

- Kickoff Event in the Spring
- Support for Open Water Swims, including coaches and lifeguards
- Have an Official Coaching Partner with AME Coaching (provides educational webinars, bike clinics, coached track workouts, and more)
- Offer Winter and Spring Swim Clinics
- Tri Club swag
- And More

We are South Jersey's premiere triathlon club, and your sponsorship will help assure the success of this club. Enclosed is a list of sponsorship levels and benefits offered to you.
